1 Under the revised Article 526(a) of the C.S.R., ~~which~~ ~~came into force with effect from the 31st August 1929~~, "When a person formerly in military service obtains employment in the Civil Dept. after having been granted a military pension he shall continue to draw his military pension, but the authority competent to fix the pay and allowances of the post in which he is re-employed the power to take into account the amount of pension, including such portion of it as may have been commuted".

2 The present rate of pay of the 5 constables referred to in para 1 of the P.U.C. is Rs. 21/- in the scale of 16-21-22-23-25-26 and they are in receipt of a military pension of Rs. 5/- each. The Commissioner has not made any recommendation as to whether <sup>or not</sup> any reduction <sup>should</sup> ~~be~~ to be made ~~or~~ ~~not~~ in refixing their pay, taking into consideration whether they are likely to earn a pension for their civil service.

3 As regards police constable Venkatasawmy referred to in para 2 of the P.U.C. the Accountant General, Madras, has stated that his case is governed by clause (b) of old article 526 C.S.R. and that his civil pay should be

reduced

reduced by Rs. 5/- per mensem ( being the amount of Military pension payable from the Indian Revenues) with effect from 16-7-28 the date of commencement of mily. pension. The Commr. says that Venkatasawmy retired from Mily. service from 14-2-28 and joined the Police Dept. on 28-4-28. But in the statement to the A.G. the date of commencement of pension was shown as 16-7-28 which is the date of sanction of pension and hence he is governed by old article 526(a) C.S.R. and no action appears to be necessary. The point is whether pension was sanctioned with effect from 14-2-28 or 16-7-28. If the former he seems to come under old article 526(a) C.S.R. as he joined the Police Dept. on 28-4-28 after getting the military pension.

SIR,

S.N.2  
C.P.3-4  
1.1

With reference to your letter No. F.834-35/R.O.I dated 8th July 1936, I have the honour to state that Constables 464 and 17 are 28 and 29 years of age respectively and can earn full pension before they attain 55 years<sup>or</sup> age when they are ordinarily required to retire.

Constables 210, 62 and 341 are 32, 37 and 34 years of age respectively and are not likely to earn full pension.

All these Constables are drawing Rs. 21/- under the new scale of pay and are drawing less pay than those on the old scale and if their pay is further reduced to Rs. 16/- or 15/- a month it would cause considerable discontent and they are likely to fall into debt. I cannot therefore recommend any reduction in their pay and request that the Hon'ble the Resident may be pleased to re-fix their pay at Rs. 21/- which they have now been drawing and permit them to draw increments the new scale of pay as they fall due.

Police Constable 453 Venkatswamy has been drawing his Military pension since 14th February 1928 and his designation in the Military Department at the time of discharge was "Sepoy".

I have the honour to be,  
Sir,
